Co-curricular at Pymble

Pymble Ladies' College believes in a balanced educational experience. All girls are encouraged to participate in our co-curricular program, which covers a wide range of activities including sporting, performing arts, language arts and cultural disciplines. Through these activities, each student has the opportunity to develop the core College values of Care, Courage, Integrity, Respect and Responsibility. The wide range of programs allow students the opportunity to develop their talent and skills in a safe, informative and friendly environment.

Our Program

The Co-curricular Sports and Activities (CCSA) program covers a wide range of activities, including sporting competitions, non-competitive programs and cultural disciplines. The programs are offered in a variety of timelines namely, yearly, semester based and term based.

- Yearly – programs that are offered over the school year are only advertised once at the beginning school year with one registration. The commitment to the activity is for the whole year and fees are scheduled as a one off payment for the whole year.
- Semester – programs that are offered for a semester period are based over two terms, usually as Terms 1 and 2 = Semester 1 / Terms 3 and 4 = Semester 2. This allows for a student to gain a wider knowledge of the sport or activity, however providing options to choose another sport or activity in other semester periods.
- Term – programs that are offered for a term, are offered 4 times throughout the year. Re-enrolment is usually required for sports or activities which are offered term by term

Co-curricular Program – Start/End Dates for 2016

Please note: there are some variance in start and end dates for some sports or activities. Please ensure you read all information available on your sport or activity of choice.

Term 3: Tuesday 19 July to Thursday 22 September

Term 4: Tuesday 11 October to Friday 2 December

Communication

All communication from the Co-curricular sport and activities Department is corresponded via email and the Pymble Ladies' College App, Skoolbag

Email Communication

It is recommended that Parents and Guardians check their email accounts regularly to ensure they are up to date with registration updates and last minute changes to their sport or activity. If you believe you are not receiving emails from the Co-curricular Department, ensure you have added @pymblelc.nsw.edu.au to your safe senders lists.

College App - Skoolbag

Pymble Ladies' College operates their Pymble App delivered through Skoolbag.

One of the many features of the Pymble App is the ability to receive push notifications (instant alerts) and updates about Co-curricular events and activities through your smartphone or device. Users will also be able to:

- View the College events calendar
- Download calendar events to your device calendar
- Access Google Maps for offsite venues
- Read the weekly eNewsletter
- Access the College website and MyPymble
- Connect with us on social media

The Pymble App can be downloaded from the App Store (Apple devices), Play Store (Android devices) and Windows Store (Windows devices). [Click here](#) for instructions or click on the direct links below.

Sport Information

Saturday Sport

Students in Years 4 to 6 wishing to participate in Saturday Sport each term, can do so with no experience required. Coaches are provided to guide students through the rules and skills of the sport. Saturday Sport is about participation for all students regardless of their ability and experience. Students can only participate in one Saturday sport per term and registration is required term by term. Registrations open in the previous term prior to the start of the season. (For example, Hockey is played in Term 2, registrations open in Term 1).

Saturday Sport Options (Year 4 to 6)

Students can only choose one Saturday morning sport per term.

Term	1	2	3	4
Sports Available	IPSHA Football (Soccer) IPSHA Softball	IPSHA Hockey/Minkey	IPSHA Netball IPSHA Touch Football	IPSHA Basketball IPSHA Cricket IPSHA Tennis
	Registrations for Term 1, 2 and 3 sports have closed for 2016. Students will have the opportunity to register for 2017, at the end of 2016.			Registrations are still available for Term 4 Saturday sport. Please click the links above.

Uniforms

Girls will need to wear the Saturday Sports Shirt and Navy Blue PE shorts for all sports. For Basketball and Touch Football, the school will provide a numbered shirt for the girls to borrow for the term. Students must attend training and competitions in the correct uniform. Students will not be able to participate without the correct uniform. Please refer to each Sport and/or Activity for their requirements.

Competition and Commitment

Pymble offers excellent competitive and non-competitive opportunities. A wide and varied range of sports and recreationally based activities are offered each term. In the Junior School, Pymble concentrates on the IPSHA competitions

Players are expected to attend all scheduled competitions as part of their commitment to their chosen sport. If a student is unable to attend matches for any valid reason (illness, important function) they are required to advise the Head of Junior Sport or co-ordinator of the sport or activity, as soon as possible. Also, every effort must be made to inform the coach where possible.

Trials/Team Selection

Any Pymble student who nominates to play a particular sport will be selected in a team, providing she is prepared to make the commitment to all training and competitions. All girls are able to play regardless of ability in IPSHA Saturday Sport as we are working on developing their movement skill in each of the sports. Tennis is the exception where girls need to be able to serve, rally and score their match.

Girls are selected into teams based upon their ability. We have independent selectors present at the trials to assess the girl's ability and they also assist the PDHPE Staff in placing the girls into teams.

All students nominating to participate in any sport or activity must attend the grading/trials where applicable. The purpose of these trials is to grade the girls, to ensure they are placed into a team with students of similar ability. If students are unable to attend their nominated trial date, they must communicate this well in advance to their sports co-ordinator.

Trials for all teams will commence the term prior to competition. For example Hockey is played in Term 2 so the trials will run throughout Term 1. Trials for Term 1 Soccer and Softball will take place on the first Saturday of term. PDHPE staff and specialist coaches will grade the girls into an appropriate team according to their standard.

Training for Competitive Sport

Regular practise is vital for success. Attendance to schedule training sessions by all team members is essential for the best possible performance by the team. For Saturday Sport training session in the Junior School each Year group have an allocated afternoon for training from 3.00pm to 4.30pm.

Year 4: Wednesday 3.00pm to 4.30pm

Year 5: Thursday 3.00pm to 4.30pm

Year 6: Tuesday 3.00pm to 4.30pm

For other team competitions, their allocated day and time for training will be communicated as early as possible. Students are expected to be punctual to all training sessions and are to wear the appropriate uniform. Students who are unable to attend training sessions should where possible, inform their coach or co-ordinator prior to the session.

Co-curricular and Out of School Hours Care (OSHC)

Students in Junior School who register for any co-curricular sport or activity which starts after 3.15pm must attend after school care (OSHC) until their sport/activity begins. The teacher or coach of their sport/activity will sign the students out of after school care.

A Parent or Guardian have the option to collect their child from school at 3.00pm and take their child directly to their sport or activity scheduled later in the afternoon.

At the conclusion of the sport or activity, a parent/guardian can collect their child directly from the sport or activity location or the child will be signed back into after school care.

If a parent/guardian collects the child after the sport or activity venue, a signature must be given to the staff member on the sign out sheet.

All fees are payable directly to the Out of School Hours Centre (OSHC) by the family. No care is covered by the College. Families must be registered with the centre. Please contact Ms Fiona Stevenson for all usage fees and registration details.

Important Registration Information

Conditions of Co-curricular Sport and Activity Enrolment

1. All registrations are completed **online**. The Sport and Activities Administration team is **unable to process** any registration for families over the phone or email. It is the responsibility of the parent or guardian to manage and administer their daughter/s co-curricular schedule.
2. Families are recommended to read the [How to Register](#) section which is available in all of the 2016 Co-curricular Sport and Activities Program books (Secondary, Junior, and Preparatory) and is available on the Sports and Activities page of the College website.
3. Students must participate on the days offered for their sport or activity of choice. Part days are not available.
4. Missed classes cannot be 'made up' or refunded due to school camps, sickness or excursions (unless specifically listed in the sport or activity conditions).
5. All registrations are on a **'first in, first served'** basis.
6. All payments for all co-curricular sport and activities are processed through your College account. Students will not be permitted to participate in any sports and activities if your College account is in arrears.
7. **Withdrawing from Sports/Activities** - Students who withdraw from a sport or activity within the date of notification (provided in the confirmation email) will not be financially penalised. All other withdrawals after the withdrawal date will be charged 25% of the class cost or classes attended (whichever is greater) for the administration of the sport or activity.
8. **Late Registrations** – students who register late for a sport or activity cannot be guaranteed a place after the online registration has closed.
9. No student will be permitted to register for any Co-curricular Sport or Activity after Week 4 of any term*.
10. Students are not able to participate in any Co-curricular Sport or Activity without permission from a parent or guardian and acceptance of the Risk Warning for Sporting and Non-Sporting Activities. Students will be turned away without a processed registration through the Co-curricular Sport and Activities Administration office.

*Families who commence at the College outside of the term start dates are exempt from this policy. This exemption will only apply during the term in which they commence at the College. Admission into their Co-curricular choices cannot be guaranteed for these students, however every effort will be made to enrol students into their chosen sport or activity.

The Pymble Ladies' College Co-curricular Artistic Gymnastics program includes a General Gymnastics and Competitive Gymnastics Program.

The General Gymnastics program provides students with activities to promote;

- Strength
- Flexibility
- Coordination
- Balance
- Body Awareness

in a fun and recreational environment, with skill development on vault, trampoline, uneven bars, beam and floor.

The Competitive Gymnastics program further promotes the key areas of the General Gymnastics program with a focus on developing the skills required for competitive gymnastics. Pathways are provided for students dependent on their skill level and commitment to gymnastics from club / school competitions to high performance and National events.

Conditions of Enrolment (Artistic Gymnastics)

1. **Costs:** Students accounts will be billed over two periods for the yearly cost. These costs include the annual fee for GymNSW membership.
2. **Uniform:** Students must have their training uniform by as soon as possible (no later than the third week of the term). The leotard can be purchased from Bloch located in Chatswood or Hornsby. Please note: prices listed below are approximate.
3. Registration for Artistic Gymnastics is for the **year**.
4. **Missed classes:** Unfortunately due to the nature of the class, we are unable to offer make up classes for missed classes or offer refunds to non-attendance.
5. Students must participate in the days stated for each Artistic Gymnastics group. Days and times cannot be changed or altered. Full fee is applicable for all groups. Part-payment of class is not available for days not attended by student.
6. **Withdrawals:** Students wishing to withdraw from the program outside of accepted timeframes will be charged for the remainder of the terms fee.

Junior Gym Skills

- **New enrolments only.**
- **Students who are registered in Term 1 and 2, are not required to re-register.**
- **Some classes have limited places.**

The Junior Gym Skills Program is designed for students who wish to participate in weekly gymnastics classes in a fun and supportive environment. This is a non-competitive program that allows students to learn the fundamentals of gymnastics through the Gym Skills stages.

This program aims to provide all students with a range of gymnastics based shapes and skills including safe landings, forward and backward rolling, swinging, balancing, as well as commencing work on handstands and cartwheels.

Students are split into smaller groups based on ability and will progress through stages. The students will aim to move up one stage per year, with 10 stages in total. During the class, students are taught in a circuit-style based around Vault, Trampoline, Uneven Bars, Beam and Floor.

Students can participate in 1 or more class per week

Athletics

Junior Athletics Club

The focus of the Pymble Junior School Athletics Club is on the long term athletic development of the girls. Running, jumping and throwing are the basis of most sports. Early confidence in these movements will lead to a love of sport and fitness for life.

A typical session starts with an active warm up. Speed is enhanced with footwork drills and a series of exercises to develop correct running technique and form. Fitness improves quickly in relays and games. Functional strength and balance is developed through medicine ball and bodyweight exercises. The girls are introduced to the technical aspects of long jump, hurdles and the throws. The emphasis of each session is on fun.

This activity will also be available for registration in Term 4.

Health and Fitness

The Health and Fitness Program for Junior School students is instructed by experienced and suitably qualified health professionals. The program caters for all fitness levels. In the early stages of development children are ready and able to develop fundamental sport skills. Establishing these core skills early in life enables children to gain a sense of achievement and establish a positive relationship with sport and physical activity. All programs in the co-curricular health and fitness program are scheduled term by term. Students are required to re-enrol each term.

Group Fitness

Fundamental movement skills are the building blocks for successful participation in games and sports. The aim of Group Fitness is to develop and enhance these fundamental skills and provide opportunities for our students to grow into confident, healthy and active adults. The twelve skills are balancing, running, jumping, catching, hopping, throwing, galloping, skipping, leaping, kicking, striking and dodging. Students who are proficient in fundamental movement skills are more likely to participate in games and sports and establish life-long commitment to health and physical activity. Research suggests that children who do not develop their fundamental motor skills by the age of 12 are unlikely to reach their genetic athletic potential.

Group fitness aims to reduce exercise boredom as every class is different. The focus of each session will be on developing the skills listed above through the use of games and specific fitness activities in a non-competitive environment. It is a flexible training program that conditions the entire body, not just the specific muscle groups associated with a particular sport. For this reason, students who take part in these sessions are likely to develop a higher level of overall fitness and conditioning.

Zumba

Zumba is a dance fitness program, combining body sculpting movements and easy to follow dance steps. There are no pre-requisites as it is taught in a completely different way to traditional dance classes. Students will learn mini routines over the course of the term based on steps from the salsa, meringue, cumbia, reggeaton, mambo, hip hop and even belly dancing. The idea is to get fit 'accidentally', with each class feeling more like a carnival than an exercise session.

Rhythmic Gymnastics

Rhythmic Gymnastics is a beautiful and elegant sport for all girls. It combines ballet, creative movements and acrobatics such as cartwheels, rolls and walkovers to music, whilst working with ropes, hoops, balls, clubs and ribbon. All apparatus are completed on the floor. A variety of benefits include developing physical fitness, strength, flexibility, agility, balance and eye hand foot coordination all whilst having fun. It also develops life skills such as self-confidence, team work, responsibility, goal-setting and friendships.

Rhythmic Gymnastics is available on most afternoons for all students in Junior school and is held in the PE Centre. Registrations are to be made externally to Pymble Rhythmic Gymnastics. Please see a summary of their timetable for 2016. For specific information such as class levels, costs, how to enrol, please email Jo Watson pymblerg@gmail.com or click on the enrolment form below.

Learn to Swim Information

Leanne Oakley – Learn to Swim Coordinator

E learntoswim@pymblelc.nsw.edu.au

P +61 2 9855 7460

At Pymble Swimming, we believe that all children should have access to quality swimming lessons to ensure that they have the skills in, and around every water environment for their safety and survival. We are passionate about teaching all ages, and abilities the fundamental skills that will provide the foundation for their life experiences in, and around the water.

Our program focusses on progression. In each level of swimming, there will be a focus on Children learning how to swim or enhancing their technique need only swim the distance that they swim technically correct. Muscle memory is an amazing benefit and aide when kids learn how to swim or when we are correcting technical flaws, but that same muscle memory works to a child's detriment when they are swimming incorrectly. By properly swimming shorter distances, kids will learn faster and ultimately use less energy to go further distances.

DIY Glamour Lab (formerly My Beauty Shop)

Over 8 weeks indulge your sense of smell, touch and curiosity as we guide you through the secrets (and the recipes) of how to make beautiful handmade items such as soaps, real perfume that you will personalise, bubble bath that suits your skin type, nourishing and wholesome lip balms and lip glosses, your own handmade fruity, fun and fancy bath bombs (that will end up a favourite DIY gift for years to come) plus so much more.

You will enjoy making your own personalised beauty products using only the very best and natural ingredients including pure essential oils, organic dried flowers, plants and herbs. We will develop products that are just heavenly, uniquely yours and provide them in professional packaging so you can enjoy them yourself or use them as gifts for the people you care about. The possibilities are endless with a large array of ingredients available for your personalised creations.

You will learn how to enjoy the luxuries without worrying about nasty chemicals. Indulgent skin treatments made from organic and natural products that are suitable for all the family members are made every week. You even get a journal and the recipes every week so you can make everything again at home!

Facilitator: Mary Alonti is a professional beauty therapist, educator and makeup artist with over 25 years of industry experience. In the last 6 years, since becoming a mother herself, Mary has spent hundreds of hours learning, about 'greener' alternatives to the toxic chemical laden items we use daily. Sharing this knowledge is what she is most passionate about. "We all need to know that there are alternatives to everything we use and we can make it wholesome and non-toxic for our whole family.

Life Skills

Touch Typing

The majority of text your child will write during her lifetime will be done on a keyboard!

The Junior School touch typing program will run in Term 3 offering students the opportunity to develop this valuable Life Skill before they reach Secondary School.

Each student has their own online account which holds all their course progress, accuracy and test results so improvement can be monitored. They all work at their own pace to complete exercises whilst tutors encourage and motivate students in a fun, learning environment. Lessons focus around the correct posture, hand, finger and wrist placement.

Teaching Primary school students this skill early will improve their computer skills for research, presentations in class, assignments, familiarity around keyboards and computers and so much more.

Touch-typing is a Life Skill that once learned, has incalculable value throughout life abilities.

The Facilitator: Typing 4 KIDS was founded by Judy Korlaki in 2014. The business aims out to provide exceptional tuition in touch typing to Primary School students. The business is growing quickly with multiple school clients in Sydney. All tutors are experienced educators and love working with students to increase their skills in this vital skill set.

Speech and Drama

- **New enrolments only**
- **Students who are registered in Semester 1 (Term 1 and 2), are not required to re-register.**

Speech and Drama aims to develop confident speakers in an enjoyable learning environment. The students benefit from learning in small groups. Speech, drama and communication skills contribute to the social, intellectual and creative development of the students. By providing a structured framework for creative expression, Speech and Drama gives guidance for the development of confident verbal skills introduces the speaking and performing of drama, literature and poetry. Learning Speech and Drama unlocks the imagination and creative-thinking, develops technique and artistry, and promotes interaction and friendships.

Speech and Drama lessons adhere to a structured framework designed to encourage the progressive development of integrated performance and communication skills. Students enjoy a wide choice of repertoire, and are actively encouraged to develop their own performance programs comprising texts and self-written material. Programs are devised for individual students' needs.

Core Study Areas: voice; drama; public speaking; interpretation; improvisation; speech writing; expressive reading; characterisation; storytelling; poetry interpretation; play building; story writing; poetry performance; and literature appreciation

ESL: Speech and Drama is particularly relevant to ESL students as it teaches the sounds of English pronunciation. This subject provides the techniques to perfect the sounds of English along with the appropriate stress and intonation that can improve verbal communication.

Assessment: AMEB examinations in Drama and Performance or Voice and Communication can be taken by the students as an integral part of the course. The two AMEB examination syllabuses assess dramatic expression and communication skills. All students may study a program at a level that will extend their competence in either or both of these areas. Please note: there may be costs associated with examinations.

Performance: Opportunities for group and individual drama, monologues and public speaking. Performance opportunities such as Eisteddfod and Public Speaking competitions are also offered.

About the Facilitator, Kate O'Keefe

Kate brings a wealth of experience to the Blossom team. She has a passion for performing arts and has been teaching dance and drama for over ten years. Kate started her career as a dancer, training in classical ballet and modern dance before moving into drama and studying at the West Australian Academy of Performing Arts (WAAPA).

Kate's qualifications include a Bachelor of Theatre Arts and a Masters of Teaching at the University of Melbourne. Her professional placements include St Kilda Primary School (Melbourne), Princes Close Children's Centre (Pahran, Victoria) and Sunnyside Kindergarten (Malvern, Victoria). Her employment history also covers the Dramatic arts- she has taught drama at numerous schools and institutions including Methodist Ladies College (Kew, Victoria), The Montreal Shakespeare Theatre Company and the Australian Youth Dance Theatre. Kate's performance credits are also impressive- ranging from McDonalds Camp Quality Puppeteering to Shakespeare (Hamlet, Twelfth Night) and improvisation.

Year 3 and 4

Term 3

Focussing on the fundamentals of improvisation we create characters and stories based on the world all around us. Using your tool bag of drama and improvisational skills create stories and acting adventures inspired by your wildest ideas. Develop more focussed and disciplined skills in acting, improvisation and storytelling.

Term 4

Your voice and your body are both powerful tools. Learn to use voice to tell stories and create sound scapes. Use your body to create character and gesture to enhance storytelling. Investigate radio plays and character development through voice and movement and develop and devise a short physical performance featuring sound scapes and characters in crazy situations then share this piece with family and friends.

At the end of each semester we invite parents to come and enjoy an informal performance by students.
