

Chess 2020 - Junior

Summary of the Program

Chess is not only a fun and social activity for students, but it also aids in the development of critical thinking skills such as problem solving, decision making, concentration, and visual and lateral thinking. Our Chess program for Junior School students is held at lunchtime and run by the Sydney Academy of Chess. Students will also have the opportunity to compete against other schools. The College employs a specialist coach from the Sydney Academy of Chess. Any student of any ability may attend and usually between five and 20 students are present per teacher. The College provides all necessary equipment and supports the students in achieving their potential in the game of Chess.

Further Information

Students may attend an Interschools Chess Challenge during 2020. Parents will be required to complete a Skoolbag eForm to give permission for their daughter to attend the event. Further details will be provided closer to the competition. There may also be a selection of competitions throughout the year your daughter is invited to attend which will require further permissions.
