CO-CURRICULAR DANCE

About Co-curricular Dance

Our Co-curricular Dance Program is well renowned for its diversity, high quality and holistic approach to Dance in Education. We offer many classes in different styles and levels to cater for the range of interests our students may have. The Stream structure assists to identify different aspects of our program.

Our classes are segmented into '**Onstage**', '**Sidestage**', '**Eisteddfod**' and '**Ballet**' Streams. Please refer to the descriptions in this information, and to the online information, to understand what stream each particular class is a part of.

The 'Sidestage' Stream

The 'Sidestage' Stream offers classes in an array of styles that develop skills in technique and performance. These classes do not perform at Dance Showcase. Majority of the classes in the Sidestage stream develop the dancer for the stage.

The 'Onstage' Stream

The 'Onstage' Stream offers classes in a variety of styles that develop skills in technique, performance and work towards performing a routine at the annual Dance Showcase.

The 'Eisteddfod' Stream

The 'Eisteddfod' Stream includes selective groups of talented and promising dancers who wish to excel, be challenged, and be a part of a dedicated Dance team. Entrance into a group is by audition only. All classes perform at Eisteddfods and the Annual Showcase.

The 'Ballet' Stream

The 'RAD Ballet' Stream offers classes in the Royal Academy Ballet syllabus. The students may have the opportunity to complete a Class Award or an Examination and will perform at the Annual Showcase.
