

## Golf 2020

### Summary of the Program

The Golf program is for those wishing to learn or improve upon the fundamental skills of Golf while being involved in a sport with deeply rooted history and traditions. This program caters for students who are both a beginner to the sport or for those who have a strong understanding of golf and wish to refine their skills. The sport enables you to get outside and play on an amazing course with your friends in a fun and interactive environment. During the season, a specialised Golf Coach will teach and develop skills including range-based instruction; chipping and pitching instruction on the practice green; putting instruction; selected bunker play; target practice and selected course play.
