

Volleyball Development 2020

Summary of the Program

The aim of the Volleyball Development Program is to develop students' volleyball skills, game strategies, fitness and build effective communication and teamwork skills. The program caters for all students in Years 7 to 12 across all ranges of ability. Students who register in the Volleyball Development Program must attend one training session per week. In Term 4 students can go on to participate in two training sessions a week and compete in the Santa Sabina Competition on Saturday mornings throughout the term.
