

Artistic Gymnastics Year 1 Gym Skills

The Year 1 Gym Skills Program is designed for students who wish to participate in weekly gymnastics classes in a fun and supportive environment.

This is a non-competitive program that allows students to learn the fundamentals of gymnastics through the Gym Skills stages.

This program aims to provide all students with a range of gymnastics based shapes and skills including safe landings, forward and backward rolling, swinging, balancing, as well as continuing to develop handstands and cartwheels.

Students are split into smaller groups based on ability and will progress through graded stages. During the class, students are taught in a circuit-style based around Vault, Trampoline, Uneven Bars, Beam and Floor.
