

Beauty Workshop

Over 8 weeks indulge your sense of smell, touch and curiosity as we guide you through the secrets (and the recipes) of how to make beautiful handmade items such as soaps, real perfume that you will personalise, bubble bath that suits your skin type, nourishing and wholesome lip balms and lip glosses, your own handmade fruity, fun and fancy bath bombs (that will end up a favourite DIY gift for years to come) plus so much more.

You will enjoy making your own personalised beauty products using only the very best and natural ingredients including pure essential oils, organic dried flowers, plants and herbs. We will develop products that are just heavenly, uniquely yours and provide them in professional packaging so you can enjoy them yourself or use them as gifts for the people you care about. The possibilities are endless with a large array of ingredients available for your personalised creations.
