

Spanish Language and Culture Course

Did you know? Spanish is the second most widely spoken language in the world with more than 560 million speakers and the official language in over 20 countries! In fact, Spanish is growing like never before in Asia, USA, UK and the internet!

Pymble is pleased to offer this course introducing students to the fundamentals of the Spanish language through interactive exposure to Latin American dance and rhythms, as well as guided classroom activities all taught in Spanish.

This course is aimed at **Beginners** and requires no prior knowledge of the language. It features basic vocabulary and grammar, phonics, everyday expressions, and also introduces customs and traditions of Spanish-speaking countries. All materials will be provided.
