

Grade 6 RAD Ballet - Syllabus Focus Class

RAD Ballet Stream

Summary of the Program

Classical Ballet is the foundation for all styles of Dance. The Grade 6 classes will follow the Royal Academy of Dance (RAD) Syllabus and students have the option to complete the formal examinations by an external examiner at the end of the year. The graded syllabi provide a broad practical dance education progressively developing the technical, musical and performance skills of the student. The classes will incorporate Classical Ballet and Character.

The Syllabus Focus class is an extension class to the Showcase Focus class. All students wishing to be considered for the examinations must register for, and attend, both the Showcase Focus Class and the Syllabus Focus class (two classes per week). However, not all students are guaranteed entry into the RAD Ballet Examinations.
