

Active Tennis Squad

Active tennis squads are a great way to get outdoors and be 'active' whilst learning a life skill. Pymble students are encouraged to be well rounded and have many experiences. What better way than to play sport in a social environment with friends. Students that sign up for private and semi-private coaching are also encouraged to join Active tennis squads, complementing their strokes and techniques learnt in lessons.

Pathway: Players in 'Active Tennis' that are motivated and show string improvements progress to 'Development squad'.

CHANGES TO THE TENNIS PROGRAM

Students will now register for the whole year (Terms 2 to 4) with an option to 'opt out' at the end of each term if they no longer want to participate. Students must 'opt out' by the last day of term or their registration will roll over to the next term. Students will be charged at the end of every term.
