To help your child get the most out of their day with us, we recommend arriving at OSHC before 9:30am on regular program days.

Bookings will open in week 5 of term 3

Spring Holiday Program

Yr 2+ Swimming: To participate in swimming "free play" you will need to be in year 2 or above. Swimming on Thursday afternoons.

Movie Days: We will watch a movie on Friday afternoons. Movies will be rated G or PG. If you wish for your child to NOT watch a movie please let us know via email.

MONDAY 28.09.26

In House Activity: Make it Monday

Get your hands dirty and help brighten the environment by creating your own native wildflower seed bombs! Children will mix clay, soil and seeds to make small seed balls that can be taken home and planted in a garden or scattered in suitable outdoor spaces. Along the way, they'll learn about native plants, pollinators and how small actions can support local wildlife and the environment.

TUESDAY 29.09.26

Provider Incursion: ArtX - Science Quest

Get ready for a creative adventure where art and science come together! Children will explore a range of hands-on art and science stations, experimenting with colourful reactions, optical illusions, marbled prints and crystal creations. They'll mix, test, build and create using fun materials and surprising techniques while discovering the science behind each activity. Everyone will take home a collection of unique scientific masterpieces and creative treasures!

WEDNESDAY 30.09.26

In House Activity: Art day with Cindy

Cindy, who runs the Co-Curricular Art for Kindy to Year 6, will be joining us today. We will explore creativity through hands-on art activities, experimenting with different materials, colours and techniques. Children will have the opportunity to share their ideas, try new skills and create something unique.

Whether you enjoy painting, drawing, designing or making something completely new, there will be something creative for everyone to enjoy!

THURSDAY 01.10.26

Community Incursion: The I Am Project Australia

Join Mary for a special holiday workshop! Children will enjoy a hands-on creative activity while exploring self-care, confidence and mindfulness in a fun, supportive environment. It's a wonderful opportunity to slow down, connect with friends, express themselves and leave feeling relaxed, empowered and inspired.

Today we are making...

FRIDAY 01.10.26

Provider Incursion: Weird Pets (raptor reptiles)

Meet an amazing collection of weird and wonderful animals in this hands-on wildlife experience! Children will get up close with guinea pigs, chickens, quails, frogs, lizards, insects, fish and a friendly dog while learning about their unique features, habitats and how to care for them. A fun, interactive incursion that encourages curiosity, respect and a love of animals. Finish the week off with a Movie!

TUESDAY 06.10.26

Provider Incursion: Poo Patrol

Discover the surprising science behind poo in this fun, hands-on workshop! Children will investigate how animal poo supports ecosystems, learn what it reveals about animals' diets and habitats, and explore how it becomes nutrient-rich fertiliser. Packed with interactive activities, real-world science and plenty of laughs, this unforgettable experience sparks curiosity about the natural world. It's a unique opportunity to explore nature through discovery, investigation and hands-on learning.

WEDNESDAY 07.10.26

Provider Incursion: Alphabet Doodles

Get ready for a fast-paced creative adventure where letters come to life! Children will spin the wheel, complete exciting drawing challenges and work together to transform letters into funny animals, imaginative characters and colourful worlds. Through teamwork, storytelling and art, they'll build creativity, confidence and literacy skills while having loads of fun. Every activity encourages imagination, problem-solving and thinking outside the box in an engaging, interactive way.

THURSDAY 08.10.26

FAMILY FEEDBACK FORMS

We'd Love Your Feedback!

Our OSHC program is guided by the My Time, Our Place Framework, Australia's curriculum for school-age care. This means we create play-based experiences that support children's wellbeing, learning, and development while continuously improving our program. Your feedback plays an important role in helping us plan future holiday programs that reflect children's interests, strengths, and ideas. By sharing your thoughts, you're helping us create engaging, inclusive, and meaningful experiences that are truly shaped by our OSHC community. **Thank you for taking a few moments to share your feedback!**
