

Pymble Ladies' College – Year 9 Urban Challenge

Online Information & Medical Form

Dear Parents and Caregivers

The Pymble Ladies' College Urban Challenge will run from **Tuesday 18th to Friday 21st February 2020**.

A 4 day program filled with fun and adventure, the students will be involved in an unfolding journey taking them around the Sydney CBD and surrounding suburbs. They will organise their own food, travel and selves as they navigate and negotiate their way across the city. The students will learn about team work and real life lessons (such as public transport won't wait for the slow team!) whilst being supervised by a school staff member and guided by an Urban Challenge guide. All this will happen while with friends and learning skills and methods in self-sufficiency, leadership and followership, team responsibility, and much more.

We have created a private page for your school on our website where you will find all the information about our program and how to register your child/ward's details for the Challenge. Please use the information below to log in and fill out the required details.

During the program this private page will allow parents/guardians the opportunity to watch the progress of the teams and play along to help their child/ward's team earn extra points. Using the same login details below (so please keep this in a safe place) parents access challenges, read the teams' daily blogs and view photos and videos of the program. This portal will be open closer to the program and remain open till long after it is finished.

At the end of the Challenge, students and parents alike will be able to log in here to download the images from the program.
