

College Parking and Traffic Management

UPDATED TERM 1, 2019

Traffic Management

To improve the flow of traffic at peak times, parking around the Main Oval and the Lower Road leading down to the Preparatory and Junior Schools has been removed. This will provide longer queued traffic for drop-off and pick-up, improving traffic flow and emergency services access.

Campus Road Rules

- The College is protected under the Inclosed Lands Protection Act 1901 (NSW) and may legally refuse entry to any individual/s and/or their vehicle/s at any time.
- Drivers must obey College road safety signage at all times.
- The College may tow away any vehicle that is parked contrary to the campus parking plan.
- The maximum speed limit on all College roads is 20 km/h.
- College parking is not to be used as commuter parking under any circumstances.

Drop-off and Pick-up

Drop-off and pick-up zones will be located as follows:

- Preparatory School and Before/After School Care – Lower Road.
- Junior and Middle Schools – Main Oval side of Flagpole Lawn.
- Upper and Senior Schools – Centenary Car Park.

All drivers must abide by the following rules within these zones:

- For the safety of students, staff and parents, drivers and adult passengers must remain within their vehicle while in any drop-off or pick-up zone.
- Students must enter and exit the vehicle on the passenger side (left-hand side) of the vehicle and are not permitted to walk between motor vehicles at any time.
- Students must have their bags and belongings with them in the passenger seats and not go to the car boot.

Traffic Management

Student Drivers

- Learner drivers are not permitted in and/or on College roadways.
- Students wishing to drive to school need to register the details of the vehicle/s they may drive, with the Senior School.
- Students must not park their vehicles on College grounds and should park on the College side of Avon Road near Gate 3, obeying all street parking restrictions as noted by the signage and road rules.

Parking

Centenary Car Park

Entry is via Gate 3 and the car park contains 232 spaces as follows:

- 38 inside a boom gate area for members of the Learn to Swim Program;
- 13 allocated to specific staff/roles;
- 4 disabled; and
- 177 for staff and parents.

Back Car Park

Located outside the Centenary Car Park, the back car park provides approximately 35 spaces. These are unallocated and available for staff and parents.

Staff Only Parking Areas

These car park areas are for staff only:

- Preparatory/Junior School (Gate 1).
- Kelso (Gate 2).
- Conde Library (Gate 3).
- Other staff parking areas on campus include the right-hand side of Flagpole Lawn. Please do not park in car spaces marked with staff titles.

Parking

- For events, we will make the aforementioned spaces available, when appropriate, for the community.

Behind Flagpole Lawn

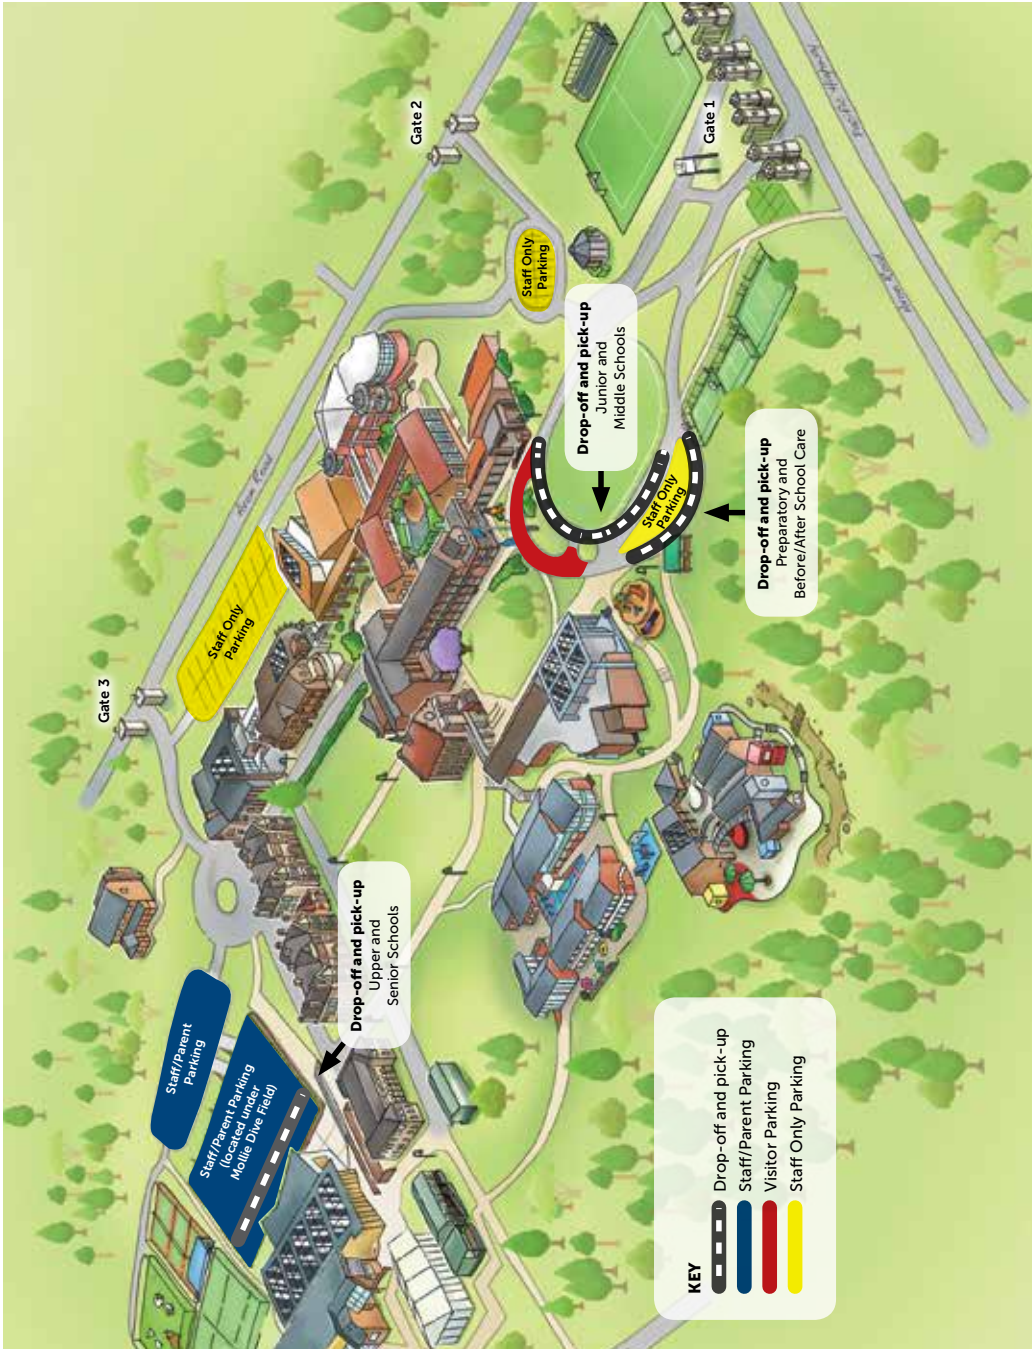

The College side of the Flagpole Lawn continues to be a mixture of spaces for allocated staff/roles, College Council and visitors. Overall, allocated spaces have been reduced and there will be an increase in visitor parking for up to two hours and up to 15 minutes.

Please do not park in car spaces marked with staff titles.

Under the Pines

This area is located off the main driveway and is available for general use in dry weather. Please note that the area will not be available in wet weather, for safety reasons.
