

Protocols for Online Learning – Student

Students are expected to:

- Refer to the [Student Code of Behaviour](#); this also includes not filming, recording or sharing content
- Refer to the [Social Media Policy and Guidelines](#)
- Wear appropriate dress attire while participating in online lessons; please refer to the Mufti Days/Excursions procedures in the Student Diary
- Only take part in their online class lesson
- Engage fully with their online lesson and maybe required to submit as requested by the Classroom teacher
- Utilise break times with a healthy and mindful focus
- Refrain from the use of mobile phones and/or other devices during class time
- Ensure a productive work environment free from distractions
- Check in with their Connect Teacher as required; students' first point of contact is their Connect teacher
- If unwell, parents to contact the relevant School Office via email, not phone
- Advise their subject teacher if finding the work challenging or requiring further support
- Continue to observe all Assessment notifications. These will be available on Teams.
