

Pay by Payment Plan 2021

The College offers a monthly and fortnightly payment plan for the payment of Tuition and Boarding fees for all students, except those students charged at the Overseas Students Tuition rate.

If you have a current payment plan in place for the 2020 year or wish to establish a payment plan for the first time in 2021, a new plan must be established for each daughter. From 2021, upon establishing a plan for the 2021 year, your agreement with us will now continue until either your daughter(s) completes Year 12, or you advise us in writing that you wish to cease or amend your payment plan agreement with us.

PAYMENTS DUE UNDER EACH PLAN FOR 2021

Equal Monthly or fortnightly payment plan instalments – January to October

A monthly or fortnightly payment plan is available in equal instalments over ten months from 15 January to 15 October, or 21 fortnights from 15 January to 22 October. These equal instalments **cover the cost of Tuition and Boarding Fees (if applicable) only**. Refer to the table for the monthly and fortnightly amounts by year group for 2021.

Balancing payments for monthly and fortnightly payment plan – November and December

- 15 November 2021 (outstanding balance including October invoice charges); and
- 15 December 2021 (December invoice charges, if any.)

These payments are in addition to the equal instalments above and will only be charged if you have an outstanding balance on your family account on the applicable dates. These amounts, if any, will include unpaid ancillary charges on your family account as these are not included in the equal payment plan instalments noted above. We are unable to estimate your daughter(s)' annual ancillary charges as it is dependent on her year group, subject selection and number and nature of co-curricular activities chosen.

To avoid all ancillary charges falling due on the balancing payment dates we recommend ancillary charges are paid via the payments page on the College website upon receipt of invoice when received in January, April, July and October.

PAYMENT PLAN CHARGE AND DISHONOUR FEES

Payment by plan incurs an additional charge of approximately 1.2 per cent of annual Tuition and Boarding Fees as per your plan(s) to offset the cost of the plan to the College. This charge is non-refundable, and the annual amount will appear on your April invoice, however the annual charge has been included in the equal period payments shown in the payment table.

In the event that any payment plan instalments are dishonoured during the plan year:

- an email warning will be sent by Finance on the first occurrence;
- \$35 dishonour fee will be added to your Family Account on the second occurrence;
- Following any further dishonours during the plan year you will be advised that you will be removed from the plan. Any balance outstanding at that time will become immediately payable. Subsequent invoices will be payable by the due date noted in the [College Fees 2021 document](#)

PAYMENT PLAN TERMS AND CONDITIONS

- After consideration of factors such as previous payment and dishonour history, the College reserves the right to exercise its discretion to exclude families from being eligible to sign up to the payment plan. These families are required to pay fees on invoice.
- Where you opt to pay using the payment plan, you will continue to receive invoices from the College as outlined in the [College Fees 2021 document](#) which will show payments made under the payment plan against the balance of your family account. Further customised invoices will not be issued.
- Payment plans will rollover from the 2021 school year to 2022 and thereafter unless Finance are advised in writing to cancel the plan by 31 December of each year.

HOW TO ESTABLISH YOUR PAYMENT PLAN FOR 2021

1. Prior to establishing your plan for 2021

- For families new to the College, please email Finance at finance@pymblelc.nsw.edu.au for your BPAY and Family reference number as these are required to establish your plan.
- Current College families must ensure the balance of your final 2020 Family Account has been paid in full. A final payment will be taken on 18 December 2020 via your direct debit to ensure any balance on your account has been paid prior to establishment of a new plan, unless we are advised in writing by Monday 14 December 2020, that you do not wish us to do so.

2. Establishing your plan

Payment plans for 2021 are now available and are to be established online using the link below or via the 'Pay by Payment Plan' button on the payments page on the College website. These links will redirect you to the Westpac-hosted PayWay secure site for you to enter your bank details and accept the terms and conditions of the direct debit agreement. A copy of the agreement is included there for your reference.

When establishing your plan, please ensure:

- Your plan is fully set up by Wednesday 13 January 2021 to ensure you can make the first instalment payment on 15 January 2021.

PAYMENT PLAN FAQS

I have missed the 15 January 2021 date to establish my payment plan but still want to join – what should I do?

Contact finance@pymblelc.nsw.edu.au and we can advise whether you can still be accepted in the plan for 2021.

How can I increase the equal instalments to cover estimated ancillary costs?

Following establishment of your plan as per the amounts noted in the 2021 payment plan table, and prior to the first plan amount being deducted, contact finance@pymblelc.nsw.edu.au to advise the amount you wish to increase each plan to. You will receive confirmation of this change for your records.

Can I align the monthly or fortnightly payment plan dates to the due date of my credit card or salary payment date?

Following establishment of your plan per the amounts noted in the 2021 payment plan table, and prior to the first plan amount being deducted on 15 January, contact finance@pymblelc.nsw.edu.au to advise the date you wish to change your deductions to. You will however be unable to change the date of the final balancing payments. You will receive confirmation of this change for your records.

How do I know if I have been accepted into the plan for 2021?

While acceptance into the plan is at the discretion of the College, you may assume that once your plan is set up you are eligible to participate unless contacted by Finance Department prior to your first payment plan date.

If I am removed from the plan due to repeated dishonours will the annual plan charge be pro-rated?

The annual plan charge included in your April invoice is not refundable. If at any time during the plan year you withdraw from the plan, or are no longer eligible to participate, the full amount of the annual plan fee will remain owing, including the amount of the plan charge not yet paid by you at the time you are removed from the plan.

I no longer wish to participate in the plan as my daughter is leaving the school either during or at the end of the school year, how do I stop my plan payments?

You must email finance@pymblelc.nsw.edu.au stating the date of the change or withdrawal. Please note that a balancing payment maybe required if your accumulated payments to date are insufficient to pay the outstanding balance on your account. You will receive email confirmation of this change for your records.
