### 3 PARENTS' OBLIGATIONS

The Parent

- 3.1 must accept and abide by the requirements and directions of the College Council and the Principal relating to the Student or students generally and not interfere in any way with the conduct, management and administration of the College
- 3.2 must support the goals, values and Christian ethics and activities of the College

- 5.1 If a Student is to be withdrawn from the College, at least one full term's notice on or before the last day of the preceding term must be given, in writing, to the Principal.

- 5.2 It would normally be expected that a withdrawal or change of status would take effect from the end of a school term in which case notice must be given before the end of the school term preceding the term in which the change is to occur.
- 5.3 If the withdrawal is to take place at any other time, notice of the change must be given before the beginning of the school term preceding the term in which the change is to occur.
- 5.4 If providing notice of withdrawal, under current NSW Education Standards Authority requirements, the Parent must provide the name of the school to which their daughter is being transferred.

### 6 BOARDING

- 6.1 At least one school term's notice must be given to change the status of a Boarder on or before the last day of the preceding term.
- 6.2 The offer of a place in the Boarding house does not ensure acceptance as a day student after the Student has commenced. Such a change (from boarding to day) shall be granted subject to vacancies. All such requests for change from Boarder to Day student should be made, in writing, to the Principal.
- 6.3 Every Student residing in the Boarding house must have a guardian as her carer during her enrolment at the College. The guardian needs to be responsible for the student in the absence of the parents and must live within a reasonable distance from the College. This is important to enable the student to be collected by the guardian and cared for should she become ill or need to be accommodated for any other reasons outside the College Boarding house.

### 7 ABSENCES

- 7.1 If the Student is absent from the College or arrives late to the College, a written explanation from the Parent must be provided on the next day of attendance at the College.
- 7.2 Extended leave for any reason other than illness must be sought, in writing addressed to the Principal, at least two weeks beforehand and will only be granted in special circumstances.
- 7.3 If the Student is absent from College, Fees will not be refunded in whole or in part.

### 8 REQUEST TO CHANGE DATE OF ENTRY

- 8.1 If the Parent wishes to transfer the date of entry of the Student to the College (either to another date in the same year or to an earlier or later enrolment year) the Parent must give notice in writing of that request to the College.
- 8.2 The College in its absolute discretion may or may not agree to that request.
- 8.3 If the College agrees to the Parent's request the Parent acknowledges that the Student will be placed on a waiting list for the year of enrolment if a place is not available in the year requested.

### 9 PARENTS' INSTRUCTIONS

If the College needs instructions from the Parent then:

- 9.1 if more than one Parent has signed the Application for Enrolment as Parent, the College may in its discretion act upon the instruction of either or both Parents
- 9.2 if at any time there is in force a Parenting Order or Registered Parenting Plan of the Family Court of Australia relating to the care, welfare or development of the Student, or more specifically to her education, the College will act only upon the instruction of the person on whom the Order or the Plan confers duties, powers, responsibilities or authority in relation to the particular matter upon which the College seeks instruction, regardless of who executed this Agreement as Parent
- 9.3 in the case of Boarders, the Principal (or her nominee) has the authority to give permission on behalf of parents/guardians for students to participate in excursions and activities if the parents/ guardians cannot be contacted within a reasonable period.

### 10 PERSONAL BELONGINGS

Students are responsible for their personal belongings and the College will not be liable for any loss of those belongings. All items must be labelled.

### 11 ACADEMIC PROGRESSION

Progression from one academic year to another academic year is dependent on the Student successfully completing the requirements of the applicable academic year.

### 12 DISCIPLINE AND EXPULSION

- 12.1 Any breach of the terms and conditions will entitle the College Council, at its discretion, to suspend or terminate the attendance of the Student at the College.
- 12.2 The Principal (or her nominee) reserves the right to discipline, suspend or expel any student whose attitude or behaviour is not in keeping with the expectations of the College, provided that the Principal must confer with the Chair of Council or nominee before expelling a student.
- 12.3 The Council may also determine that the conduct of the Student prior to her taking a place at the College on the date of entry warrants termination of the Agreement, which shall be effected by written notice to the Parent.
- 12.4 If the Council believes that a mutually beneficial relationship of trust and co-operation between the Parent and the College has broken down to the extent that it adversely impacts on the relationship, then the College Council may terminate this Agreement which shall be affected by written notice to the Parent. No remission of Fees will be given.

### 13 HEALTH AND WELLBEING

- 13.1 The Parent confirms that the Parent has disclosed in the Student's Application for Enrolment any diagnosed social, emotional or intellectual difficulties or specific medical or learning needs or disabilities that may impact on her ability to fully participate in the curricular or co-curricular programs provided by the College.
- 13.2 If the Parent has indicated in the Student's Application for Enrolment that the student has special needs (as detailed in paragraph 16.1), should any of those needs change in any way the Parent must notify the College immediately.
- 13.3 If at any time prior to or during the Student's enrolment at the College the Student has any special needs (as detailed in paragraph 16.1) which were not in existence at the time the Application for Enrolment was signed, the Parent must immediately inform the College of those special needs.
- 13.4 Students for whom English is an additional language/dialect will be required to demonstrate their proficiency in English and meet the determined proficiency levels. This proficiency is supported by a certificate of English fluency from the Australian Education Assessment Service – [www.aeas.com.au](http://www.aeas.com.au). This certificate must accompany the Application for Enrolment before an interview can be arranged and a definite place offered.
- 13.5 The Parent acknowledges that if they have failed to disclose or not fully disclose any material matter, either in the Application for Enrolment form or subsequently, the College may, if the student is not enrolled, withdraw the offer, or, if enrolled, terminate the enrolment without notice.
- 13.6 In the event of any medical or other emergency arising, concerning the Student, and the College is unable to contact the Parent after making reasonable efforts the Parent authorises the College to give authority for such treatment. The Parent indemnifies the College, its employees and agents in respect of all costs and expenses arising directly or indirectly out of such treatment.

### 14 COLLECTION AND DISCLOSURE OF PERSONAL INFORMATION

## GO Foundation Story

**Values: Integrity. Equality. Opportunity. Strength in culture.**

The GO Foundation was founded by Sydney Swans Legends, Adam Goodes and Michael O’Loughlin. As proud Aboriginal men, their names are synonymous with **integrity, equality** and **opportunity**.

Although Australia is a land of abundant wealth, many Indigenous Australians face a lack of **opportunity** and access. The GO Foundation provides scholarships to Indigenous students from kindergarten through to university, in public and independent schools, to students who live with family, in community and on country. Our scholarships aim to make the journey through school as rich and rewarding as possible.

A GO scholarship is an entry point to the GO Ecosystem, a model of collaborative impact where our partners work with us to provide GO students with a broad range of **opportunities**. Scholarship funds cover educational needs, including laptops, wi-fi access at home, sporting equipment, musical instruments, excursions and school trips, and food at the canteen.

In addition, our partners, including CareerTrackers and AIME, work with us to broaden our students’ perspectives and provide access to many **opportunities** including cultural mentoring, homework support, leadership training, STEM training, exposure to a broad range of career options, work experience and paid internships. **Once a GO student, Always a GO student** – this mentoring and support continues long after the financial scholarship has ended.

At the heart of the GO Ecosystem is a burning desire to strengthen our students’ cultural identity - to connect them in a meaningful way to their history, **culture** and heritage. By sharing our students’ perspective and their **culture** with our Ecosystem partners, we are working to create workplaces that are truly inclusive and welcoming of all Australians. We do this so that we can all share in the oldest living **culture** in the world.

---

The GO Foundation chooses students based on a number of criteria:

- 1 **Financial need**
- 2 **Work ethic and aspiration**
- 3 **Cultural identity**
- 4 **Desire to give back to the community**
- 5 **Passion for learning**
- 6 **Rate of attendance at school**

THE APPLICATION GIVES US THE INFORMATION TO ASSESS THESE CRITERIA.

PLEASE NOTE THAT COMPETING THIS APPLICATION DOES NOT GUARANTEE A SCHOLARSHIP. THE MORE DETAIL YOU PROVIDE, THE BETTER WE CAN ASSESS YOUR APPLICATION.

## STUDENT QUESTIONS

The GO Foundation uses the criteria below to assess applications for GO scholarships. We retain the discretion not to give each criteria equal weighting and may provide a scholarship even where an application does not address all the criteria.

The selection criteria are as follows, in no particular order:

- 1 **Financial need:** GO Foundation scholarships are not means tested, but applicants who demonstrate financial need are more likely to be awarded a scholarship. GO Foundation will consider, in particular, the circumstances of the applicant's family or immediate caregivers in considering this factor.
- 2 **Work ethic and aspiration:** Applicant should demonstrate an aspiration to work hard and achieve. Academic performance is helpful evidence, but it is not the only way in which an applicant might demonstrate a strong work ethic. The applicant must display an understanding that hard work is the only way to achieve.
- 3 **Cultural identity:** Applicant should demonstrate a strong cultural identity or a desire to understand more about their cultural heritage.
- 4 **Desire to give back to the community:** Applicant should care about their community, family and friends. Community service, volunteer work and certain extracurricular activities or memberships of organisations by applicant should be considered.
- 5 **Passion for learning:** Applicant should demonstrate a desire to learn and continue learning.
- 6 **Rate of attendance at school:** Applicant should have at least a reasonable rate of attendance at school. Note that GO Foundation scholars with low rates of attendance might potentially have their scholarship revoked. However, the GO Foundation may also look at any reasons for low attendance in assessing a student's application.

### **Financial Need**

How would a GO Scholarship or additional financial support make a difference to you? Please describe any financial challenges you might face.
