# WHO? WHERE? WHEN?

MUN is a simulation activity that allows students to represent a country of the UN and debate international affairs. No prior experience is needed, all are welcome!

The **PMUN (Pymble Model United Nations) 2022 Conference** will be co-ordinated by the students from Pymble Ladies' College but there will be opportunities for students from other schools to also play a part in running the event.

It will be open to students from schools in the Greater Sydney Area, from **Years 8 to 12**.

The conference will run for 1 day on Saturday 18 June from 9.30am to 5.15pm, at Pymble Ladies' College. Please see [Page 3](#) for more information on how to access the College.

# COSTS AND CATERING

The event will cost \$11 per student. Recess and Lunch will be available for an additional cost of \$10.

Payment will be completed via the Humanitix Registration Form. (see [Page 10](#))

We encourage all students to bring their own refillable water-bottles, but bottled-water will also be available for purchase on the day.

Students will be required to individually complete a [Lunch Order form](#) for their lunch preferences.

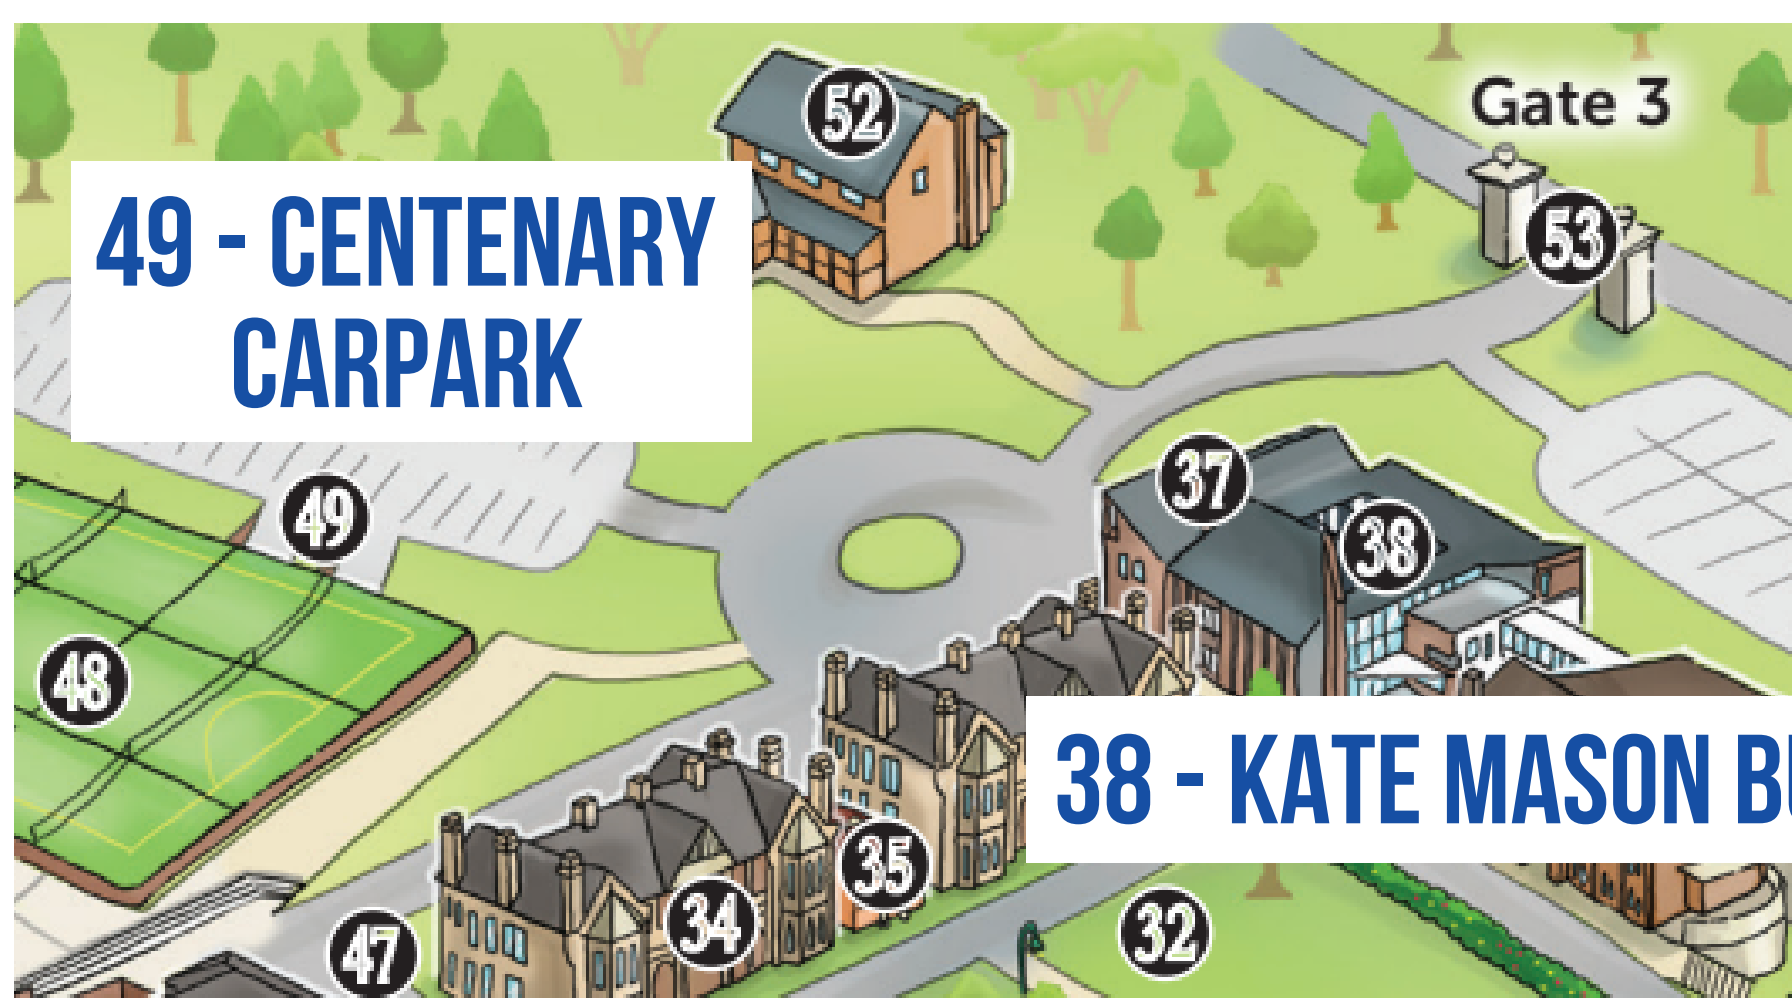

*Pymble* will provide both Recess and Lunch. While students are also welcome to bring their own snacks, we request that students **DO NOT share food**, individually wrap snacks, and **do not order delivery food** (eg. Pizza) on the day.

# ROLES

Students have the option to register either:

1. As a **Participant Delegation** (between 1 and 10 students)

**Participant Delegates** are students who would like to participate in the conference as a delegation.

**See more info on the following pages:**

2. As a **PRC Member** (preference given to those with experience in MUN)

**PRC (PMUN Representatives Committee) Members** are students who will work in the PRC, a committee of students that will run the conference. The committee will write resolutions, organise delegations and students, and ensure that students from their school know "how to MUN". As well as this, PRC members will play roles as convenors, facilitators, and note-passers on the day.

# DELEGATE INFO

Each delegation will represent ONE country. A delegation is a collection of students, and there should be at least five students in each delegation (one student per committee, since there will be five committees). The maximum number of students in a delegation is ten (five pairs of students).

We request that the students in your delegation are also from your school. If you do not have at least five students from your school, you are to enter as a "mini-delegation" or individually.

**If more than ten students** from your school want to register, you must register as two separate delegations. (E.g. if 15 students are entering, register as two separate delegations of ten and five, or seven and eight, etc.)

Example: Delegation of seven

Example: Delegation of three

# PRC MEMBER INFO

You can put forward any number of PRC Members. We recommend you communicate with your school first, to assess how many PRC Members you will register, we suggest no more than a handful from each school.

There will be several PRC Meetings via Zoom leading up to the conference. PRC Members **will be expected to attend at least two** of these meetings. The dates of the meetings are as follows:

Meeting 1: **Monday 16 May, 6.00pm to 7.00pm**

Meeting 2: **Monday 30 May, 6.00pm to 7.00pm**

Meeting 3: **Monday 6 June, 6.00pm to 6.30pm**
