

Child Protection Policy

1 Rationale

- 1.1 Pymble Ladies' College (the College) is committed to providing a safe and supportive environment for staff, students and visitors to the College. It recognises that both individuals and the College have a range of different obligations relating to the safety, protection, wellbeing and welfare of students.
- 1.2 The purpose of this policy is to set out staff responsibilities for child protection and processes that staff must follow in relation to child protection matters.

2 Scope

- 2.1 This policy applies to all staff members, which includes employees, contractors, volunteers and visitors associated with the activities of the College.
- 2.2 Staff members who fail to adhere to this policy may be in breach of their terms of employment.
- 2.3 There are a number of other College Policies that relate to child protection including, but not limited to the:
 - *Staff Code of Behaviour* that outlines the standard of behaviour expected
 - *Work Health and Safety Policy* that identifies obligations imposed by work health and safety legislation
 - *Discrimination, Harassment and Workplace Bullying Policy* that summarises obligations in relation to unlawful discrimination, harassment and bullying
 - *Anti-Bullying Policy (Students)*
 - *Grievance and Dispute Resolution Policy* that sets out the expectations and management of grievances and disputes
 - *Complaints Policy* that sets out the framework for raising and managing complaints.

3 Definitions

- 3.1 In the context of this document definitions have been defined in accordance with the legislation and are in the relevant sections below.

4 Policy

- 4.1 This policy sets out the obligations of the College and individuals associated with the College, under the child protection legislation in New South Wales namely the:
- *Children and Young Persons (Care and Protection) Act 1998 (Care and Protection Act)*
 - *Child Protection (Working With Children) Act 2012 (WWC Act)*
 - *Children's Guardian Act 2019 (Children's Guardian Act)*
 - *Crimes Act 1990 (Crimes Act)*.
- 4.2 The safety, protection and welfare of students is the responsibility of all staff members and encompasses:
- A duty of care to ensure that reasonable steps are taken to prevent harm to students which could reasonably have been foreseen; and
 - Obligations under child protection and work health and safety legislation.
- 4.3 The legislation requires reporting of particular child protection and wellbeing concerns. However, as part of the overall commitment of the College to the safety, welfare and wellbeing of children, staff are required to report any concern about the safety, welfare or wellbeing of a child or young person to the Principal.
- 4.4 If the concern involves the behaviour of the Principal, staff are required to report to the Chair of the College Board .
- 4.5 All new staff members must read this policy, sign and acknowledge that they have read and understood the policy.
- 4.6 All staff members must participate in annual child protection training and additional training as directed by the Principal. The training complements this policy and provides information to staff about their legal responsibilities related to child protection and College expectations including:
- Mandatory reporting
 - Reportable conduct
 - Working with children checks (WWCC); and
 - Professional boundaries.
- 4.7 The Principal monitors compliance with this policy and securely maintains College records relevant to this policy, which includes:
- A register of staff members who have read and acknowledged that they read and understood this policy
 - Working with children check clearance (WWCC clearance) verifications
 - Mandatory reports to Communities and Justice (DCJ) formerly known as Family and Community Service; and
 - Reports of reportable conduct allegations, the outcome of reportable conduct investigations, and/or criminal convictions.
 - A register of participation in annual child protection and other related training.

- 4.8 The College reserves the right to determine in its entirety the response to any breach of this policy. The College right to determine its response includes but is not limited to the right to 'stand down' an employee on full pay whilst an investigation into allegations of reportable conduct, unprofessional conduct, bullying or harassment is undertaken.
- 4.9 This policy is not intended to extend responsibility of the College beyond the law.
- 4.10 The College reserves the right to change or modify this policy at any time by notice on the College portal.

1 Child Protection

1 General

- 1.1 Forms of child abuse include neglect, physical, sexual and emotional abuse.
- 1.2 **Neglect** is the continued failure by a parent or caregiver to provide a child or young person with the basic things needed for his or her proper growth and development, such as food, clothing, shelter, medical and dental care or adequate supervision.
- 1.3 **Physical abuse** is a non-accidental injury or pattern of injuries to a child or young person caused by a parent, caregiver or any other person. It includes but is not limited to injuries which are caused by excessive discipline, severe beatings or shakings, cigarette burns, attempted strangulation and female genital mutilation.
- Injuries include bruising, lacerations or welts, burns, fractures or dislocation of joints.
- Hitting a child around the head or neck and/or using a stick, belt or other object to discipline or punishing a child (in a non-trivial way) is a crime.
- 1.4 **Sexual abuse** is when someone involves a child or young person in a sexual activity by using their power over them or taking advantage of their trust. Often children are bribed or threatened physically and psychologically to make them participate in the activity. Child sexual abuse is a crime.
- 1.5 **Emotional abuse** can result in serious psychological harm where the behaviour of the parent or caregiver damages the confidence and self-esteem of the child or young person, resulting in serious emotional deprivation or trauma.
- Although it is possible for 'one-off' incidents to cause serious harm, in general it is the frequency, persistence and duration of the parental or carer behaviour that is instrumental in defining the consequences for the child.
- This can include a range of behaviours such as excessive criticism, withholding affection, exposure to domestic violence, intimidation or threatening behaviour.
- 1.6 Child wellbeing concerns are safety, welfare or wellbeing concerns for a child or young person that do not meet the mandatory reporting threshold, risk of significant harm.

2 Working with Children (WWC)

1 General

- 1.1 The WWC Act protects children by requiring a worker to have a WWCC clearance or current application to engage in child-related work. Failure to do so may result in a fine or imprisonment.
- 1.2 The Office of the Children's Guardian (OCG) is responsible for determining applications for WWCC clearance. It involves a national criminal history check and review of reported workplace misconduct findings. The result is either to:

- Grant a WWCC clearance (generally valid for 5 years) or
- Refuse a WWCC clearance (further applications cannot be made for 5 years).

In addition, the OCG may impose an interim bar on engaging in child-related work for both applicants and WWCC clearance holders.

WWCC clearance holders are subject to ongoing monitoring by the OCG, and any relevant new records which appear may lead to the WWCC clearance being cancelled.

2 Responsibilities

2.1 Staff members and eligible volunteers (including those volunteers working at overnight camps) who engage in child-related work are required to:

- Hold and maintain a valid WWCC clearance
- Not engage in child-related work at any time that they are subjected to an interim bar or a bar
- Report to the Principal if they are no longer eligible for a WWCC clearance, the status of their WWCC clearance changes or are notified by the OCG that they are subjected to a risk assessment
- Notify the OCG of any change to their personal details within 3 months of the change occurring. Failure to do so may result in a fine
- Be aware and follow the expectation of conduct expressed in the College *Staff Code of Behaviour*.

It is an offence for an employee to engage in child-related work when they do not hold a WWCC clearance or has a bar or an interim bar.

2.2 All volunteers are required to:

- Be aware and follow the expectations of conduct expressed in the College *Staff Code of Behaviour Policy*.
- Hold a current Volunteers WWCC clearance.

2.3 The College is required to:

- Verify online and record the status of each child-related worker's WWCC clearance
- Only employ or engage child-related workers or eligible volunteers who have a valid WWCC and
- Advise the OCG of the findings they have made after completing a reportable conduct investigation, including whether they have made a finding of reportable conduct, a finding of reportable conduct in relation to sexual misconduct, a sexual offence or a serious physical assault must be referred to the OCG working with Children Check Directorate (WWCC Directorate).

It is an offence for an employer to knowingly engage a child-related worker who does not hold a WWCC clearance or who has a bar or an interim bar on child-related work.

3 Working with Children Check Clearance (WWCCC)

- 3.1 A WWCC clearance is authorisation under the WWC Act for a person to engage in child-related work.

4 Child-related work

- 4.1 Child-related work includes direct contact by the worker with a child or children and that contact is a usual part of and more than incidental to the work. It includes but not limited to work in the following sectors:

- Early education and childcare including education and care service, childcare centres and other childcare
- Schools and other educational institutions and private coaching or tuition of children
- Religious services
- Residential services including boarding schools, homestays more than three weeks, residential services and overnight camps or
- Transport services for children including school bus services, taxi services for children with disability and supervision of school road crossings, and
- Counselling, mentoring or distance education not involving direct contact.

Any queries about whether roles/duties engage in child-related work should be directed to the Principal.

5 Application or Renewal

- 5.1 An application or renewal can be made through Service NSW or its replacement agency. The process for applying for and renewing a WWCC clearance with the OCG involves a national police check and review of findings of misconduct.
- 5.2 If the OCG grants or renews a WWCC clearance the holder will be issued with a number which is to be provided to the College to verify the status of the WWCC clearance of the staff member.

6 Refusal or Cancellation

- 6.1 The OCG can refuse to grant a WWCC clearance or cancel a WWCC clearance. The person is then restricted from engaging in child-related work and not able to apply for another clearance for five years.
- 6.2 Employers are notified by the OCG and instructed to remove such persons from child-related work.

7 Interim Bar

- 7.1 The OCG may issue an interim bar, for up to 12 months, to high risk individuals to prevent them from engaging in child-related work while a risk assessment is conducted. If an interim bar remains in place for six months or longer, it may be appealed against through the Administrative Decisions Tribunal.

- 7.2 Not everyone who is subject to a risk assessment will receive an interim bar, only those representing a serious and immediate risk to children.

8 Disqualified person

- 8.1 A disqualified person is a person who has been convicted, or against whom proceedings have been commenced for a disqualifying offence outlined in Schedule 2 of *WWC Act*. A disqualified person cannot be granted a WWCC clearance and is therefore restricted from engaging in child-related work.

9 Ongoing Monitoring

- 9.1 The OCG will continue to monitor criminal records and professional conduct findings of all WWCC clearance holders through a risk assessment process.

10 Risk assessments

- 10.1 A risk assessment is an evaluation of an individual's suitability for child-related work.
- 10.2 The OCG will conduct a risk assessment on a person's suitability to work with children when a new record is received which triggers a risk assessment. This may include an offence under Schedule 1, pattern of behaviour or offences involving violence or sexual misconduct representing a risk to children and findings of misconduct involving children.

11 Process for reporting to OCG

- 11.1 Independent Schools are defined as a reporting body by the *WWC Act*.
- 11.2 The College is required to advise the OCG of the findings they have made after completing a reportable conduct investigation, including whether they have made a finding of reportable conduct. A finding of reportable conduct in relation to sexual misconduct, a sexual offence or a serious physical assault must be referred to the OCG *WWCC Directorate*, if it meets the threshold for consideration of an interim WWCC bar, as per Section 17 of the *WWC Act*, pending a formal risk assessment.
- 11.3 The College may also be obliged to report, amend or provide additional information to the OCG as outlined in the *WWC Act* and the *Children's Guardian Act*.

12 Findings of misconduct involving children

- 12.1 The College will report any finding of reportable conduct to the OCG.
- 12.2 When informing an employee of a finding of reportable conduct against them, the College should alert the employee to the consequent report to the *WWCC Directorate* in relation to sustained findings of sexual misconduct, a sexual offence or a serious physical assault.
- 12.3 The *WWC Act* enables a person who has a finding referred to the OCG to request access to the records held by the College in relation to the finding of misconduct involving children, once final findings are made.

- 12.4 The entitlements of a person to access information in terms of Section 46 of the *WWC Act* is enlivened when a finding of misconduct involving children has been made.
- 12.5 A request for records should be made directly to the OCG.
- 12.6 The College may also be required to provide information to the OCG that is relevant to an assessment of whether a person poses a risk to the safety of children or as part of the OCG's monitoring functions.

3 Mandatory Reporting

1 General

- 1.1 The *Care and Protection Act* provides for mandatory reporting of children at risk of significant harm. For the purposes of this *Act*, a child is a person under the age of 16 years and a young person is aged 16 years or above but who is under the age of 18.
- 1.2 Under the *Care and Protection Act* mandatory reporting applies to persons who:
- In the course of their employment, deliver services including health care, welfare, education, children's services and residential services, to children or
 - Hold a management position in an organisation, the duties of which include direct responsibility for, or direct supervision of, the provision of services including health care, welfare, education, children's services and residential services, to children.

This means that all staff are mandatory reporters and must report concerns directly to the Principal.

2 Reports to Department of Communities and Justice

- 2.1 A mandatory reporter must, where they have reasonable grounds to suspect that a child (under 16 years of age) is at risk of significant harm, report to the Department of Communities and Justice (DCJ) as soon as practicable. The report must include the name, or a description, of the child and the grounds for suspecting that the child is at risk of significant harm.
- 2.2 In addition, the College may choose to make a report to DCJ where there are reasonable grounds to suspect a young person (16 or 17 years of age) is at risk of significant harm and there are current concerns about the safety, welfare and wellbeing of the young person.
- 2.3 At the College, a mandatory reporter will meet their obligation if they report to the Principal. This centralised reporting model helps to ensure that one person in the College has all of the information that may be relevant to the circumstances of the child or young person at risk of significant harm. It addresses the risk of the College not being aware of individual incidences that amount to cumulative harm.

3 Reasonable grounds

- 3.1 'Reasonable grounds' refers to the need to have an objective basis for suspecting that a child or young person may be at risk of significant harm, based on:
- First hand observations of the child, young person or family
 - What the child, young person, parent or another person has disclosed
 - What can reasonably be inferred based on professional training and/or experience.
- 3.2 'Reasonable grounds' does not mean that you are required to confirm your suspicions or have clear proof before making a report.

4 Significant harm

- 4.1 A child or young person is 'at risk of significant harm' if current concerns exist for the safety, welfare or wellbeing of the child or young person because of the presence, to a significant extent, of any one or more of the following circumstances:
- The child's or young person's basic physical or psychological needs are not being met or are at risk of not being met
 - The parents or other caregivers have not arranged and are unable or unwilling to arrange for the child or young person to receive necessary medical care
 - In the case of a child or young person who is required to attend school in accordance with the *Education Act 1990*, the parents or other caregivers have not arranged and are unable or unwilling to arrange for the child or young person to receive an education in accordance with that *Act*
 - The child or young person has been, or is at risk of being, physically or sexually abused or ill-treated
 - The child or young person is living in a household where there have been incidents of domestic violence and, as a consequence, the child or young person is at risk of serious physical or psychological harm
 - A parent or other caregiver has behaved in such a way towards the child or young person that the child or young person has suffered or is at risk of suffering serious psychological harm
 - The child was the subject of a pre-natal report under section 25 of the *Care and Protection Act* and the birth mother of the child did not engage successfully with support services to eliminate, or minimise to the lowest level reasonably practical, the risk factors that gave rise to the report.
- 4.2 What is meant by 'significant' in the phrase 'to a significant extent' is that which is sufficiently serious to warrant a response by a statutory authority irrespective of a family's consent.
- 4.3 What is significant is not minor or trivial and may reasonably be expected to produce a substantial and demonstrably adverse impact on the child or young person's safety, welfare or wellbeing.
- 4.4 The significance can result from a single act or omission or an accumulation of these.

5 Process for Mandatory Reporting

- 5.1 In general, the Principal will report these matters to the DCJ and, where necessary the Police. This is supported by the DCJ in accordance with best practice principles.
- 5.2 Therefore, staff members must raise concerns about a child or young person who may be at risk of significant harm with the Principal as soon as possible, to discuss whether the matter meets the threshold of “risk of significant harm” and the steps required to report the matter.
- 5.3 However, if there is an immediate danger to the child or young person and the Principal or next most senior member of staff is not contactable, staff members should speak to the Police and/or the Child Protection Helpline (13 21 11) directly and then advise the Principal or next most senior member of staff at the College as soon as possible.
- 5.4 Staff members are not required to, and must not, undertake any investigation of the matter.
- 5.5 Staff members are not permitted to inform the parents or caregivers that a report to DCJ has been made.
- 5.6 Staff members are required to deal with the matter confidentially and only disclose it to the persons referred to above or as required to comply with mandatory reporting obligations.
- 5.7 Failure to maintain confidentiality will not only be a breach of this policy but could expose a person to potential civil proceedings for defamation.

6 Process for reporting concerns about students

- 6.1 The *Care and Protection Act* outlines a mandatory reporter’s obligation to report to the DCJ, concerns about risk of significant harm.
- 6.2 However, to ensure centralised reporting, all staff members are required to report any concern regarding the safety, welfare and wellbeing of a student to the Principal.
- 6.3 Staff members who are unsure as to whether a matter meets the threshold of risk of significant harm should report their concern to the Principal regardless.
- 6.4 Staff members are required to deal with all reports regarding the safety, welfare or wellbeing of a student confidentially and only disclose it to the Principal and any other person the Principal nominates.

4 Reportable conduct

1 General

- 1.1 Section 29 of the *Children's Guardian Act 2019*, requires the Heads of Entities, including non-government schools in New South Wales, to notify the Children's Guardian of all allegations of reportable conduct and convictions involving an "employee" and the outcome of the School investigation of these allegations.
- 1.2 Under the *Children's Guardian Act 2019*, allegations of child abuse only fall within the reportable conduct jurisdiction if the involved individual is an employee of the relevant entity at the time when the allegation becomes known by the Head of Entity.
- 1.3 Reportable conduct:
- Involves a child (a person under the age of 18 years) at the time of the alleged incident; and
 - Involves certain defined conduct as described in the *Act* (see below).
- 1.4 The OCG:
- Must keep under scrutiny the systems for preventing reportable conduct by employees of non-government schools and the handling of, or response to, reportable allegations (including allegations which are exempt from notification) or convictions
 - Must receive and assess notifications from non-government schools concerning reportable conduct or reportable convictions
 - Is required to oversee or monitor the conduct of investigations by non-government schools into allegations of reportable conduct or reportable convictions
 - Must determine whether an investigation that has been monitored has been conducted properly, and whether appropriate action has been taken as a result of the investigation
 - May directly investigate an allegation of reportable conduct or reportable conviction against an employee of a non-government school, or the handling of or response to such a matter (e.g. arising out of complaints by the person who is the subject of an allegation) and
 - May investigate the way in which a relevant entity has dealt with, or is dealing with, a report, complaint or notification, if the OCG considers it appropriate to do so.

2 Reportable conduct

- 2.1 Under the *Children's Guardian Act 2019*, reportable conduct is defined as:
- A sexual offence
 - Sexual misconduct
 - An assault against a child
 - Ill-treatment of a child
 - Neglect of a child

- An offence under section 43B (failure to protect) of Section 316A (failure to report) of the *Crimes Act 1900*; and
- Behaviour that causes significant emotional or psychological harm to a child.

2.2 Reportable conduct does not extend to:

- Conduct that is reasonable for the purposes of the discipline, management or care of children, having regard to the age, maturity, health or other characteristics of the children and to any relevant codes of conduct or professional standards; or
The use of physical force that, in all the circumstances, is trivial or negligible, and in the circumstances in which it was used have been investigated and the result of the investigation recorded in accordance with appropriate procedures.

3 Definitions

The following definitions relate to reportable conduct:

3.1 **Sexual Offence:** an offence of a sexual nature under a law of the State, another State, a territory, or the Commonwealth, committed against, with or in the presence of a child such as:

- Sexual touching of a child
- A grooming offence
- Production, dissemination or possession of child abuse material.

Definitions of 'grooming', within child protection legislation are complex. Under the *Crimes Act*, grooming or procuring a child under the age of 16 years for unlawful sexual activity is classed as a sexual offence. The *Crimes Act* (S73) also extends the age of consent to 18 years when a child is in a 'special care' relationship. Under Schedule 1(2) of the *WWC Act*, grooming is recognised as a form of sexual misconduct. The *Children's Guardian Act 2019* and this *Child Protection Policy* reflect these definitions within the context of the Reportable Conduct Scheme (Division 2).

An alleged sexual offence does not have to be the subject of criminal investigation or charges for it to be categorised as a reportable allegation of sexual offence.

3.2 **Sexual misconduct:** conduct with, towards or in the presence of a child that is sexual in nature (but not a sexual offence). The *Act* provides the following (non-exhaustive) examples:

- Descriptions of sexual acts without a legitimate reason to provide the descriptions
- Sexual comments, conversations or communications
- Comments to a child that express a desire to act in a sexual manner towards the child, or another child.

Note: crossing professional boundaries comes within the scope of the scheme to the extent that the alleged conduct meets the definition of sexual misconduct. That is, the conduct with, towards or in the presence of a child that is sexual in nature (but not a sexual offence).

3.3 **Assault:** an assault can occur when a person intentionally or recklessly (ie. knows that assault is possible but ignores the risk):

- Applies physical force against a child without lawful justification or excuse, such as hitting, striking, kicking, punching or dragging a child (actual physical force)
- Causes a child to apprehend the immediate and unlawful use of physical force against them, such as threatening to physically harm a child through words and/or gestures regardless of whether the person actually intends to apply any force (apprehension of physical force).

3.4 **Ill-treatment:** is defined as conduct towards a child that is:

- Unreasonable; and
- Seriously inappropriate, improper, inhuman or cruel.

Ill-treatment can include a range of conduct such as making excessive or degrading demands on a child, a pattern of hostile or degrading comments or behaviour towards a child and using inappropriate forms of behaviour management towards a child.

3.5 **Neglect:** defined as a significant failure to provide adequate and proper food, supervision, nursing, clothing, medical aid or lodging for a child that causes or is likely to cause harm, by a person who has care and/or responsibility towards a child.

Neglect can be an ongoing situation of repeated failure by a caregiver to meet a child's physical or psychological needs, or a single significant incident where a caregiver fails to fulfil a duty or obligation, resulting in actual harm to a child where there is a potential for significant harm to a child. Examples of neglect include failing to protect a child from abuse and exposing a child to a harmful environment.

3.6 Behaviour that causes significant **emotional and psychological harm** to a child is conduct that is intentional or reckless (without reasonable excuse), obviously or very clearly unreasonable and which results in significant emotional harm or trauma to a child.

For reportable allegations involving psychological harm, the following elements must be present:

- An obviously or very clearly unreasonable or serious act or series of acts in that the employees knew or ought to have known was unacceptable, and
- Evidence of psychological harm to the child that is more than transient, including displaying patterns of 'out of character behaviour', regression in behaviour, distress, anxiety, physical symptoms or self-harm, and
- An alleged causal link between the employee's conduct and the significant emotional or psychological harm to the child.

3.7 **Reportable allegation** is an allegation that an employee has engaged in conduct that may be reportable conduct.

3.8 **Reportable conviction** means a conviction (including a finding of guilt without the court proceeding to a conviction) in NSW or elsewhere, of an offence involving reportable conduct.

3.9 **Employee** of an entity includes:

- An individual employed by, or in, the entity
- A volunteer providing services to children
- A contractor engaged directly by the entity (or by a third party) where the contractor holds, or is required to hold a WWCC clearance for the purposes of their work with an entity, and
- A person engaged by a religious body where that person holds or is required to hold a WWCC clearance for the purposes of their work with the religious body.

3.10 **ESOA** means Employee Subject of the Allegation.

4 Procedure for reporting of reportable conduct allegations or convictions

Staff Members

- 4.1 Any concerns about any other employee engaging in conduct that is considered inappropriate, or reportable conduct, or any allegation of inappropriate, or reportable conduct made to the employee or about the employee themselves must be reported to the Principal.
- 4.2 Where it is uncertain if the conduct is reportable conduct but is considered inappropriate behaviour this must also be reported to the Principal.
- 4.3 Staff members must also report to the Principal when they become aware that an employee has been charged with or convicted of an offence (including a finding of guilt without the court proceeding to a conviction) involving reportable conduct. This includes information relating to the employee themselves.
- 4.4 If the allegation involves the Principal, the staff member must report to Chair of the Board.

Parents, carers and community members

- 4.5 Parents, carer and community members are encouraged to report any conduct that is in their view inappropriate, reportable or criminal conduct to the Principal or their delegate.
- 4.6 All such reports will be dealt with in accordance with the *College Complaints Policy*.

The College

- 4.7 The Principal, as the Head of Entity under the *Children's Guardian Act 2019*, must:
- Ensure, as far as reasonably practicable, that specified systems are in place for preventing, detecting and responding to reportable allegations or convictions
 - Submit a 7-day notification form to the OCG within 7 business days of becoming aware of a reportable allegation or conviction against an employee of the College (unless the Head of Entity has a reasonable excuse).

The notification should include the following information:

- That a report has been received in relation to an employee of the College and
 - The type of reportable conduct, and
 - The name of the employee, and
 - The name and contact details of the College and the Head of Entity, and
 - For a reportable allegation, whether it has been reported to Police, and
 - If a report has been made to the Child Protection Helpline, that a report has been made, and
 - The nature of the relevant entity's initial risk assessment and risk management action.
- The notice must also include the following, if known to the Head of Entity:
 - The details of the reportable allegation or conviction considered to be a reportable conviction
 - The date of birth and working with children number, if any, of the employee subject of the report,
 - The police report reference number, if police were notified
 - The report reference number if reported to the Child Protection Helpline
 - The names of other relevant entities that employ or engage the employee, whether or not directly, to provide a service to children, including as a volunteer or a contractor.
 - Maximum penalty for failure to notify within 7 business days is 10 penalty units.

5 Process for investigating an allegation of reportable conduct

- 5.1 The Principal is responsible for ensuring, so far as is reasonably practicable, that the following steps are taken to investigate an allegation of reportable conduct.

Initial steps

- 5.2 Once an allegation of reportable conduct against an employee is received, the Principal is required to:
- Determine whether it is an allegation of reportable conduct
 - Assess whether DCJ or the Police need to be notified (i.e. if reasonable grounds to suspect that a child is at risk of significant harm or a potential criminal offence). If they have been notified, seek clearance from these statutory agencies prior to the College proceeding with the reportable conduct investigation
 - Notify the child's parents (unless to do so would be likely to compromise the investigation or any investigation by DCJ or the Police)
 - Notify the OCG within 7 business days of receiving the allegation
 - Carry out a risk assessment and take action to reduce/remove risk, where appropriate, and

- Provide an initial letter to the ESOA advising that an allegation or reportable conduct has been made against them and the College responsibility to investigate this matter under section 34 of the Children's Guardian Act 2019, and
- Investigate the allegation or appoint someone to investigate the allegation.

Investigation principles

5.3 During the investigation of a reportable conduct allegation the College will:

- Follow the principles of procedural fairness
- Inform the ESOA of the substance of any allegations made against them, at the appropriate time in the investigation and provide them with a reasonable opportunity to respond to the allegations
- Make reasonable enquiries or investigations before making a decision
- Avoid conflicts of interest
- Conduct the investigation without unjustifiable delay
- Handle the matter as confidentially as possible, and
- Provide appropriate support for all parties including the child/children, witnesses and the ESOA.

Investigation steps

5.4 In an investigation, the Principal or appointed investigator will generally:

- Interview relevant witnesses and gather relevant documentation
- Provide a letter of allegation to the ESOA
- Provide the ESOA with the opportunity to provide a response to the allegations either in writing or at interview
- Consider relevant evidence and make a preliminary finding in accordance with the *OCG Guidelines*
- Inform the ESOA of the preliminary finding in writing by the Head of Entity and provide them with an opportunity to respond or make further submission prior to the matter moving to the final findings
- Consider any response provided by the ESOA
- Make a final finding in accordance with the *OCG Guidelines*
- Decide on the disciplinary action, if any, to be taken against the ESOA
- If it is completed, send the final report to the OCG within 30 days after having received the allegation as per section 36 of the *Children's Guardian Act 2019*
- Should the final report be unfinished within 30 days, the Head of Entity must provide at a minimum, an interim report to the OCG within 30 days of having received the allegation, as per section 38 of the *Children's Guardian Act 2019*.

Submission of an interim report must include:

- A reason for not providing the final report within 30 days and an estimated time frame for completion of the report

- Specific information, including (if known), the facts and circumstances of the reportable allegation, any known information about a reportable conviction, action taken since the OCG received a notification about the reportable allegation or reportable conviction, further action the Head of Entity proposes to take in relation to the reportable allegation or reportable conviction, including if the Head of Entity proposes to take no further action, the reason for the action taken and the action proposed to be taken or the reasons for the decision to take no further action, other information prescribed by the regulations, and
- Be accompanied by copies of documents in the College's possession, including transcripts of interviews and copies of evidence.

5.5 The steps outlined above may need to be varied on occasion to meet particular circumstances. For example, it may be necessary to take different steps where the matter is also being investigated by the DCJ or police.

5.6 An ESOA may have an appropriate support person with them during the interview process. Such a person is there for support only and as a witness to the proceedings, not as an advocate or to take an active role.

Risk management throughout an investigation of a reportable conduct allegation

5.7 Risk management means identifying the potential for an incident or accident to occur and taking steps to reduce the likelihood or severity of its occurrence.

5.8 The Principal is responsible for risk management throughout the investigation and will assess risk at the beginning of the investigation, during and at the end of the investigation.

Initial risk assessment

5.9 Following an allegation of reportable conduct against an employee, the Principal conducts a risk assessment to identify and minimise the risks to:

- The child(ren) who are the subject of the allegation
- Other children with whom the employee may have contact
- The ESOA
- The College, and
- The proper investigation of the allegation.

5.10 The factors which will be considered during the risk assessment include the:

- Nature and seriousness of the allegations
- Vulnerability of the child(ren) the ESOA has contact with at work
- Nature of the position occupied by the ESOA
- Level of supervision of the ESOA, and
- Disciplinary history or safety of the ESOA and possible risks to the investigation.

- 5.11 The Principal will take appropriate action to minimise risks. This may include the ESOA being temporarily relieved of some duties, being required not to have contact with certain students, being asked to take paid leave or being suspended from duty. When taking action to address any risks identified, the College will take into consideration both the needs of the child(ren) and the ESOA.
- 5.12 A decision to take action on the basis of a risk assessment is not indicative of the findings of the matter. Until the investigation is completed and a finding is made, any action, such as an employee being suspended, is not to be considered to be an indication that the alleged conduct by the employee did occur.

Ongoing Risk Management

- 5.13 The Principal will continually monitor risk during the investigation including in the light of any new relevant information that emerges.

Findings

- 5.14 At the completion of the investigation, a finding will be made in relation to the allegation and a decision made by the Principal regarding what action, if any, is required in relation to the ESOA, the child(ren) involved and any other parties.

Information for the ESOA

- 5.15 The ESOA will be advised:
- That an allegation has been made against them (at the appropriate time in the investigation), and
 - Of the substance of the allegation, or of any preliminary finding and the final finding.
- 5.16 The ESOA does not automatically have the right to:
- Know or have confirmed the identity of the person who made the allegation, or
 - Be shown the content of the OCG notification form or other investigation material that reveals all information provided by other employees or witnesses.
- 5.17 The *WWC Act* (section 46), enables a person who has a finding referred to the OCG under the *Act* to request access to the records held by the College in relation to the finding of misconduct involving children.

Disciplinary Action

- 5.18 As a result of the allegations, investigation or final findings, the College may take disciplinary action against the ESOA (including termination of employment).
- 5.19 In relation to any disciplinary action the College will give to the ESOA:
- Details of the proposed disciplinary action, and
 - A reasonable opportunity to respond before a final decision is made.

Confidentiality

- 5.20 It is important when dealing with allegations of reportable conduct that the matter be dealt with as confidentially as possible.
- 5.21 The College requires that all parties maintain confidentiality during the investigation including in relation to the handling and storing of documents and records.
- 5.22 Records about allegations of reportable conduct against employees will be kept in a secure area and will be accessible by the Head of Entity or with the Head of Entity's express authority.
- 5.23 No employee may comment to the media about an allegation of reportable conduct unless expressly authorised by the Principal to do so.
- 5.24 Staff members who become aware of a breach of confidentiality in relation to a reportable conduct allegation must advise the Principal.

5 Criminal Offences

1 Royal Commission

- 1.1 In 2018, the *Crimes Act* was amended to adopt recommendations of the *Royal Commission into Institutional Responses to Child Sexual Abuse*. The new offences are designed to prevent child abuse and to bring abuse that has already occurred to the attention of the Police.

2 Failure to protect offence

- 2.1 An adult working in a school, therefore all staff members, will commit an offence if they know another adult working there poses a serious risk of committing a child abuse offence and they have the power to reduce or remove the risk, and they negligently fail to do so either by acts and/or omissions.
- 2.2 This offence is targeted at those in positions of authority and responsibility working with children who turn a blind eye to a known and serious risk rather than using their power to protect children.

3 Failure to report offence

- 3.1 Any adult, therefore all staff members, will commit an offence if they know, believe or reasonably ought to know that a child abuse offence has been committed and fail to report that information to Police, without a reasonable excuse.
- 3.2 A reasonable excuse would include where the adult has reported the matter to the Principal and is aware that the Principal has reported the matter to the Police.

4 Special Care Relationships (Crimes Act 1900 – NSW)

- 4.1 It is a crime in NSW for a staff member, volunteer or contractor to have a sexual relationship with a student where there is a special care relationship.
- 4.2 The Act provides that:
- A young person is under an adult's special care if the adult is a member of the teaching staff of the School at which the young person is a student, or
 - Has an established personal relationship with the young person in connection with the provision of religious, sporting, musical or other instruction.
- 4.3 The Special Care (sexual intercourse) offence under s73 was supplemented by an additional special care offence involving sexual touching now under s73A of the Crimes Act.
- 4.4 The new offence under s73A will expand special care offences to also apply to non-penetrative sexual touching.
- 4.5 The offence will protect children aged 16-17 years from inappropriate sexual contact with teachers and others who have special care of the child.
